### Class Description:

Beginner Ballet Technique is for ages 6-12.

This will cover the basic steps and forms, and gives a good foundation for students who are looking for an easy, low-stakes way to get into dance.

This class may learn some small combos, but is not focused on trying to learn and perfect a full routine. Instead, the intention is to perfect the techniques needed for a great ballet season in the fall!

### Class Schedule:

**Thursdays 5:30pm-6:15pm**

• July 9th	• July 16th	• July 23rd	• July 30th
------------	-------------	-------------	-------------

### Regular Class Attire:

Ballet: \*While it is not a requirement, many students enjoy wearing a leotard and tights to class. If your student prefers otherwise, leggings or pants that stretch are recommended for ballet. T-shirts should be “school appropriate” in coverage and design.

### Tuition:

- The cost is \$50 for the month. This is to be paid at the first class.
- If paying via Venmo, the cost is \$52. Otherwise, cash and check are also accepted.
- Tuition price is not dependent on you or your student’s attendance.
